Harper's Weekly is a pictorial history the times. It presents every important vent promptly, accurately and exhaust elv in illustration and descriptive text of he highest order.

The manner in which, during 1894, it has treated the Chicago railroad strikes and the China Japanese war, and the amount of light it was able to throw on orea the instant attention was directed that little known country, are examof i's almost boundless resources. lian Ralph, the distinguished writer and respondent, has been sent to the seat war, and there joined by C. D Weln, the well known American artist, now many years resident in Japan. During 1895 every vital question will be scussed with vigor and without prejulice in the editorial columns, and also in pecial articles by the highest authorities n each department. Portraits of the men and women who are making history, and owerful and caustic political cartoons, l continue to be characterisiic features. his Busy World, with its keen and kindcomment on the lesser doings of the , wil remain a regular department.

Fiction. There will be two powerfu erials, both handsomely illustrated, several novelettes and many short stories by Send for illustrated prospectus.
